RE: Notice of Re-Advertisement of the Ivanhoe Water System Project

Dear Mr. Causey:

Bids for the Ivanhoe Water System were received on Thursday, October 3rd, 2024 at 2:00 pm. Fewer than three bids were received for the project, so the bids were not opened. As stated in G.S. 143-132, three bids are required for construction or repair contracts subject to the formal bidding procedures. If three bids are not received after the first advertisement, the project must be re-advertised. A re-advertisement for bids was issued, which will set the bid opening date to Thursday, October 17th, 2024 at 2:00 pm.

Should have you have any questions or comments, please call me at (984) 232-6788.

Sincerely,

Dewberry Engineers Inc.
